Read the following paper:—

No. 161. Endorsement of the Secretary to Government, Revenue Department, dated Fort St. George, 10th November 1877.

Proceedings of the Board of Revenue, dated 31st October 1877, Miscellaneous No. 15,102.

Read Proceedings of the Madras Government, Revenue Department, dated 4th October 1877, No. 3,079, requesting Board of Revenue to call on the Collector of the Godavery District to explain how it is that the Deputy Tahsildar is still at Polaveram when his transfer to Tallapudi and that of the Tahsildar to Pedda Potaveram were sanctioned in 1869.

THE Board observe that by Government Order, 13th April 1872, No. 597, a proposal to place the Tahsildar at Tallapudi and the Deputy Tahsildar at Pedda Potaveram (a village west of Yernagudem) was approved, and in Government Order, 5th December 1872, No. 1,574, estimates for the construction of offices accordingly at these places were sanctioned.

2. It thus appears that the arrangements of 1869, referred to by Government, whereby the Tahsildar was to be moved from Yernagudem to Pedda Potaveram (not Polaveram) and the Deputy Tahsildar from Polaveram to Tallapudi were exactly reversed. The previous correspondence was not referred to and appears to have been overlooked in 1872, but the arrangements then sanctioned have been carried out. In Board's Proceedings, 14th August 1872, No. 5,596, the renting of accommodation at Potaveram for the Deputy Tahsildar was sanctioned, and it is to this that Mr. Tate alludes in his letter printed in the Government Order above read. In the copy of his letter forwarded by the Collector to the Board, and in their Proceedings, 17th September 1877, No. 4,352, as separately printed, the name of the Deputy Tahsildar's present station appears correctly as Potaveram, not Polaveram.

(True Extract.)

Secretary.

TRANSFERRED to the Public Works Department with a copy of Government Order, 4th October 1877, No. 3,079.

2. The estimate for the Sub-Magistrate's kacheri at Pedda Potaveram appears to have been sanctioned, and the provision of funds ordered in the paper marginally noted.
G.O., Judicial Department, 5th December 1872, No. 1,574.

PUBLIC WORKS DEPARTMENT, 16th November 1877, No. 1,674 W.

3. The kacheri appears to be urgently needed.

REVENUE DEPARTMENT.

4th October 1877, No. 3,079.

Read the following paper:—

No. 59. Proceedings of the Board of Revenue, dated 17th September 1877, No. 4,352.

Read the following letter from W. J. TATE, Esq., Assistant Collector in charge, to W. S. FOSTER, Esq., Collector of the Godavery District, dated Ellore, 6th August 1877, No. 216:—

I HAVE the honor to inform you that the Deputy Tahsildar's Office and the Police Station at Polaveram have been kept in a private building belonging to Muchinapalli Subbaya, and that a rent of 6 Rupees a-month is being paid for them for the last five years. The owner has asked me to have this building vacated for his use by removing the office and the station to some other place. I tried to get another suitable building in the village, but could not any. The Deputy Tahsildar was directed to see if a building for the purpose could be had either in Lakkavaram or Yernagudem for temporary location of the office pending the erection of a new cutcherry. He writes to me that none could be had in either place, and that the owner of the building in which the office is now kept has agreed to give his house for a year, but for only a year longer. It will thus be seen that if the erection of the new cutcherry does not take place within the year for which the present building can be had, much inconvenience and expense will be the result in the way of providing the Deputy Tahsildar suitable temporary accommodation for (1) Cutcherry, (2) Police Station, (3) Subsidiary Jail. I therefore request that steps may be taken for the speedy building of the cutcherry according to the standard plan for Deputy Tahsildar's office, or that you will ask Government to sanction some building or other in a cheaper place.

ENCLOSURE No. 1

From Major J. BEATTY, R.E., Officiating Superintending Engineer, to W. S. FOSTER, Esq., Collector of the Godavery District, dated Dowlaishweram, 28th August 1877, No. 1,736.

With reference to your endorsement, No. 142, of 17th August 1877, on the copy of Assistant Collector's letter, No. 216, of 6th idem, I have the honor to inform you that no allotment has been provided in the current year's Provincial Budget for building the Deputy Tahsildar's Cutcherry at Polaveram, and I therefore request you will be good enough to move Government for an allotment of funds, as without it the work cannot be put in hand.

No. 249.

SUBMITTED to the Board of Revenue, with the request that they will obtain the sanction of Government for the early construction of the Deputy Tahsildar's Cutcherry building alluded to therein, as it will be observed from Mr. Tate's letter that the building is much needed.

(Signed) H. RICHARDSON,
Deputy Collector,
for Collector.

COCANADA,
4th September 1877.

SUBMITTED for the orders of Government.

2. It is not likely that funds will be available, and the Collector must do his best to continue to rent accommodation or to erect temporary buildings.
