Sir.

As the work in this office is now pro-
-ceedingly heavy owing in a great measure to
the famine, and as the records are in a very
disorderly condition, as reported in my No. 1710
dated 15th ultimo - though they are now better
than they were - I have the honor to request -
that I may be allowed the services of three addi-
-tional writers for a period of six months. They
will be partly employed, if sanctioned, in placing
the records in order, and partly in disposing of
the additional work now thrown upon the office.

As reported in my letter above quoted
weeks are some times lost in searching for a partic-
-ular reference, and some old files much wanted
I have not yet been able to discover.—

Sir,

I have the honor to inform you, with reference to my No 892 dated 2d July last that by an oversight I omitted to note in the service book of N. Jeyaraam Pillay, forwarded with the above quoted letter, that he was fined Rupees 5 by the Examiner on the 1st April 1877.

2. Copies of correspondence noted in the margin regarding the fine are enclosed.—

3. I am sorry that so much time has been lost in informing you of this, but the file regarding it was only found after a search of some months, and after a reference had been made to N. Jeyaraam Pillay at Shermadevi on the subject.

Head Asstt Jeyaraam Pillay's letter dated 26th April 1877 with the Dy Dvn Officer's Endt of 26th April 177.

4. I take this opportunity of reporting that the records in this office when I joined were maintained in a most incomplete, careless, and slovenly manner, and as I have before reported it is by no means unusual for weeks to be lost in finding some particular file, or obtaining information, that should if the records had been maintained properly, not have taken more than a few minutes.—

5. The following books were not kept.—

1. Register of Estimates submitted for sanction
2. " of letters dispatched.
3. " of Tools.
4. " of Stationery
5. " of appropriations
6. " of leave had not been kept up since May 1876.
7. " of fines had not been kept up since November 1876.

6. Documents of all kinds, accounts, and correspondence, were not properly filed, and in some instances important papers relating to separate subjects appear to have been thrown in a heap together. Some files, as I have already been obliged to report, have been lost altogether.

7. I am trying to get the records into shape, and an improvement has been made, but it must be some time before all the old papers have been put into order.—
