GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

17th November 1877, No. 1,707 W.

General.
Establishment.

Read the following paper :—

No. 174. From Major H. M. VIBART, R.E., District Engineer, Bangalore, to the Chief Engineer, Public Works Department, Establishment, dated Bangalore, 13th November 1877, No. 159.

IN pointing out that the post of Assistant Draughtsman in this office is at present vacant, I have the honor to recommend that the pay of the Head Draughtsman should be increased from 50 to 60 Rupees and that of the Assistant Draughtsman decreased in a corresponding degree. This arrangement will entail no extra outlay by Government for establishment.

2. The present Head Draughtsman has been in this office for $10\frac{1}{2}$ years, and I consider him to be an exceptionally clever draughtsman, and that he is fully worthy of the proposed increase of pay.

3. This arrangement can be carried out without injustice to any one. A similar arrangement was, it is believed, sanctioned in the Bellary District on the recommendation of the District Engineer.

4. I have a high opinion of T. Manikum Moodelliar's abilities after having known him for more than five years, and I strongly recommend this increase to his pay.

No. 175. ORDER THEREON, 17th November 1877, No. 1,707 W.

HIS GRACE the Governor in Council cannot entertain the District Engineer's proposal, which involves the change of rates approved for a general establishment in order to remunerate an individual.
