No. 341. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 11th January 1877, No. 20:—

I HAVE the honor to submit, for the approval of Government, a time-table proposed by the Agent of the South Indian Railway, on the opening for public traffic of the section of line from Tanjore to Mayaveram, a distance of 44 miles.

2. It will be observed that a slight alteration has been suggested by the Agent in the running of the main line trains, in order to make them fit in at the Tanjore Junction with the Mayaveram train.

3. A copy of the time-table has been forwarded to the Postmaster-General for approval.
