From The Executive Engineer
Officer Division.

To The District Engineer
of Salem

Sir,

Surveyor Ponnarunga Mudaly
has, you know, worked well on the
Baroor Project, and he has been at very
considerable expense in keeping a pony to
enable him to do his work, and also in
following me about from place to place
when he was getting up the plans and
Estimate, as it was necessary he should
be near me for instructions, I have the
honor on those grounds to request you
will ask for the sanction of double
horse allowance for him which the

Examiner

Examiner has refused to sanction requiring
the orders of Government before doing so.

I have the honor &c

Letters from the District Engineer Salem
 No: 88 S.L. & 106 S.L. of 13 Sep. & 10 October 1877

Col. Montgomery on 1st Oct. with double Horse Allowance for 11 months. Says nothing about the 15th allowance. I am afraid I have suggested the 15th allowance. The 15th allowance is not a single horse. It is explained with reference to the addition to the draft order made by His Grace the Governor and to the remarks in the margin of the draft that single horse allowance only has been passed to the Surveyor. As 15 is the amount presented by Code rule for the maintenance of a single horse.

Can if me 27th
 be ordered.
