GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

1st June 1877, No. 180 W.

General.
Account.

Read the following paper:—

No. 7. From Colonel A. S. MOBERLY, R.E., District Engineer, Cuddapah, to the Chief Engineer, Public Works Department, dated Cuddapah, 12th May 1877, No. 379.

In forwarding for orders the enclosed copy of letter No. 277, dated 8th instant, received from the Sidhout Range Officer, I have the honor to inform you that the tent was purchased in January 1874 under the sanction accorded in G.O., No. 3,070, dated 20th December 1870; the sum therein sanctioned for the purchase of four tents was Rupees 520, but only Rupees 360 were expended for the same by my predecessor. The tent was repaired in July 1875 at a cost of Rupees 40.

From the Officer in charge of Sidhout Range, to the District Engineer, Cuddapah, dated 8th May 1877, No. 277.

I HAVE the honor to report that the Office tent of this range is in a very dilapidated state and is so rotten as scarcely to be pitched. When I took charge of this range some two years ago, I found the tent thoroughly mildewed and had some repairs done to it; since then repairs by the Lascars have been done frequently until it is hardly worth doing anything more to it.

2. The present tent is 12 feet square, and is rather too large for what is required in this range, especially as the winds here are at some seasons very severe and rather trying to a Bechoba. I therefore request permission to have a new Office tent made of 9 or 10 feet square, the cost of which I believe will be about 70 to 75 Rupees. I would draw up a short specification for your approval if you wish it before having it made, so that it would be made in a proper manner.

No. 8. ORDER THEREON, 1st June 1877, No. 180 W.

THE Range Officer will be permitted to have a tent made after a good specification; the exact cost being reported to Government by the District Engineer.

2. It is observed that the rapid wearing out of tents is due to neglect to make small repairs whenever required and to tents being put away damp.

(True Extract.)

Colonel, R.E.,
Secretary to Government, P.W.D.

To all District Engineers.
