*Proceedings of the Madras Government, Public Works Department,
5th January 1877. No. 18.*

No. 33. Read the following letter from Major H. M. VIBART, R.E., Officiating District Engineer, Presidency, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 21st December 1876, No. 4,990 :—

I HAVE the honor to bring to notice that in my letter printed with G.O., No. 3,097, dated 20th November 1876, the cost of the punt therein sanctioned was proposed to be met from savings on the establishment sanctioned in G.O., No. 1,992, dated 3rd August 1876, for the conservancy of the Cooum; but the Examiner of Public Works Accounts states that the cost of the punt in question should be debited to the head Tools and Plant under Provincial, and provision of funds made accordingly. I have therefore the honor to request that you will allot the sum of Rupees 140 under that head to enable me to adjust the cost.
