Read the following paper :—

No. 43. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer, Public Works Department, Buildings and Roads Branch, dated Fort St. George, 23rd November 1877, No. 4,878.

I HAVE the honor to report that my attention having been called to the insecure condition of a heavily roofed verandah on the upper story of the Gun Carriage Superintendent's house, I ordered it to be taken down. This led to further examination of the upper rooms, which proved to be in such a dangerous state that I had no alternative but to dismantle them at once. This has been done, and I have directed the Northern Range Officer to proceed with the necessary repairs which will cost approximately Rupees 2,500. A detailed estimate is now being prepared.

No. 44. ORDER THEREON, 4th December 1877, No. 1,931 W.

THE detailed estimate, accompanied by a report, will be awaited.
