GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

4th December 1877, No. 1,945 W.

Buildings and Roads.

Civil Works.

Read the following papers:—

- ✓ No. 51. From Colonel C. S. HEARN, Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 4th October 1877, No. 4,447.

I HAVE the honor to forward, for the *early* sanction of Government, the accompanying plan and estimate (Rupees 457) with specification report and the correspondence as per margin, for alterations and improvements to the Police Hospital at Collegal, Coimbatore District.

The Surgeon-General's memorandum No. 5,533, dated 1st September 1877, to the Inspector-General of Police.

The Acting District Engineer's letter No. 92 C. I., dated 25th September 1877, to the Superintendent of Police.

2. The Police sick are now treated in a ward which was formerly a cell for prisoners and is unfitted for hospital purposes, the front being open fret work which is highly objectionable in a feverish climate such as Collegal has as pointed out by the Surgeon-General. The work now proposed, remedies all defects and provides glazed windows, is urgently required and will be carried out by Department Public Works in 1877-78.

3. Should the above proposal meet the approval of Government, I request that sanction may be accorded for appropriation of Rupees 457 from the Provincial Reserve of 1877-78 as a special case, there being no funds available in the District allotment for new works during the current official year.

- ✓ No. 51-A. From the same Officer, dated Madras, 22nd November 1877, No. 5,199.

WITH reference to the Deputy Chief Engineer's memorandum No. 3,645, dated 31st ultimo, I have the honor to state that I concur in the suggestion of the improvement referred to, and the plan and the revised estimate, &c., amounting to Rupees 480 for altering and improving the Collegal Police Hospital, are accordingly retransmitted with the necessary alterations for sanction.

- No. 51-B. . From the same Officer, dated Madras, 30th November 1877, No. 5,305.

WITH reference to my letter No. 5,199 of the 22nd instant, I have the honor to request sanction for the transfer of Rupees 260 from the current year's allotment for new works of the Trichinopoly District to that of Coimbatore towards the expenditure of Rupees 480 for improving the Collegal Hospital mentioned therein.

2. The Superintendent of Police, Trichinopoly, reports that the sum of Rupees 260 sanctioned in G.O. No. 613 W, dated 20th August 1877, Public Works Department, for a wire fencing round the Cantonment Police station cannot be utilized for the purpose, the Executive Engineer having intimated that "no wire fencing can be procured, nor can any other description of fencing be constructed within the amount."

No. 52. ORDER THEREON, 4th December 1877, No. 1,945 W.

HIS GRACE the Governor in Council sanctions the plan and estimate of Rupees 480 for altering and improving the Police Hospital at Collegal in the Coimbatore District.

2. Rupees 260 are appropriated by transfer from the source indicated by the Inspector-General in his letter No. 5,305, dated 30th November 1877, and the balance of Rupees 220 from the Provincial Reserve.

3. The roof being hipped it is not understood how the ventilation windows can be placed as shown on the plan. Iron-barred dormer windows with glass sashes would be more likely to thoroughly meet what is wanted.

4. This sanction has been registered as Provincial No. 224 B of 1877-78.

I have added a verandah to
the building as its want is very much
felt and besides it makes the
building more complete. A common
tiled verandah in continuation of
the slope of the roof would not
answer as the walls are not high

enough to admit of it being done.
