GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

6th December 1877, No. 1,987 W.

Buildings and Roads.

Civil Works.

Read the following papers:—

No. 64. From Major J. BEATTY, R.E., Officiating Superintending Engineer, Godavery District, to the Chief Engineer for Buildings and Roads, dated Camp, Dowlaishweram, 11th August 1877, No. 1,541.

I HAVE the honor to forward herewith, duly countersigned by the Inspector-General of Police, a plan and estimate amounting to Rupees 740 for constructing a new Police Station-house at Dumagudiem, and to request you will be good enough to submit it for the sanction of Government.

One Plan.

„ Estimate.

2. The Superintendent of Police informs me that the work should be carried out by this department, and that it will be included in the District scheme for 1878-79.

No. 64-A. From the same Officer, dated Camp, Dowlaishweram, 29th October 1877, No. 2,446.

With reference to your memorandum No. 2,992 of 29th ultimo, I have the honor to report that the Superintendent of Police informs me he considers the cheap design of station-house furnished by Mr. Vanstavern as better suited to the special circumstances at Dumagudiem than the standard design, and I observe by paragraph 3 of Colonel Hearn's letter, printed with G.O., No. 870 W, of 4th October 1877, that the Inspector-General is also of opinion that adherence to the sanctioned standard plans need not be enforced in localities where buildings of a cheaper description will answer all purposes.

2. Under these circumstances I think it best to defer preparing a plan and estimate of the standard design, which would probably cost over Rupees 1,000, until I hear further from you. The estimate is also not emergently necessary as the work is not to find a place in the Budget of 1878-79.

No. 64-B. From the same Officer, dated Camp, Dowlaishweram, 19th November 1877, No. 2,678.

With reference to your memorandum No. 3,753 of the 7th instant, I have the honor to inform you that it is proposed to construct the Police Station-house at Dumagudiem according to the plan submitted by the Divisional Officer, which, together with the estimate, are now resubmitted in order to your obtaining the sanction of Government.
