GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

13th December 1877, No. 2,073 W.

General.
Establishment.

Read the following paper :—

No. 119. From Major H. R. MEAD, R.E., District Engineer, South Arcot, to the Chief Engineer, Public Works Department, dated Camp at Oolundoorpett, 6th December 1877, No. 209.

I HAVE the honor to report that the Examiner considers it necessary for me to request that Government shall decide on where the temporary head-quarters of Mr. F. B. Pemberton, Executive Engineer, and Mr. A. Clerke, Assistant Engineer, should be for the months of October, &c.

2. Mr. Pemberton was sent to Trinomalai taluq to investigate the Alathur Project; he started on the 1st October from Cuddalore, arrived at Trinomalai on the 4th, and was at Trinomalai and Malapadoor from the 5th to 23rd, on which date he broke his arm; during that time he made four marches. I thought it right to consider that Cuddalore was his head-quarters (had Mr. Pemberton not broke his arm he would have left Trinomalai taluq as the work was stopped) and allowed him half travelling allowance when halting and full when moving camp, and I request this may be sanctioned.

3. Mr. Clerke has been on Survey duties at Porto-Novo, his work being about six miles south and six miles north; he was there and in camp near from the 7th October to the 24th November, and I allowed him half travelling allowance when halting, making Cuddalore his head-quarters. I suppose it is necessary that this should be sanctioned.

4. Mr. Clerke is now gone to Merkanum. I request to be informed what place should be consider his head-quarters; his work is about five miles north of it and eighteen miles south.

No. 120. ORDER THEREON, 13th December 1877, No. 2,073 W.

As recommended by the District Engineer, Cuddalore will be considered the head-quarters of Messrs. Pemberton and Clerke for the months of October and November, and during the recess after completion of the surveys. During the continuance of the surveys these officers will be held to have no temporary head-quarters in the field, claims to travelling allowance being audited under Government of India Code, Chapter IV, Section iii, paragraph 1, Clause i.

(True Extract.)

To the District Engineer, South Arcot.
" Examiner of Public Works Accounts.

Extract from Public Works Code. Chapter IV.
Section III, para 1. Clause 1

Limitation of al- Clause 1. No travelling allowance shall (except
lowance with res- as provided for in Rules III and IV) be granted in
pect to distance.
i. O. G. L. No. 6 of 1871. any case where an Officer does not proceed to
a greater distance than 5 miles beyond the bound-
=dary of his station, or from his ordinary residence,
permanent or temporary, or standing camp.
In the absence of orders to the contrary from a
Local Government or Administration, fifteen
days residence at a place shall be sufficient
ground for the Controller to consider that place
an officer's temporary head quarters, but the
Controller is not precluded from referring the
matter to the Local Government or Administration
in cases in which he considers that a shorter
residence should suffice to constitute the place
an officer's temporary head-quarters.

This matter being
decided the Examiner
will then audit their
Bills in accordance
with the rules. Half
travelling allowance
cannot be passed
after more than three
days' residence. but the
Examiner will not
require orders on this
point.

R. P.
10/12

When an officer is appointed to the charge
of a survey it will rest with the Local Govern-
=ment or Administration under which he may be
serving

serving to fix his temporary head-quarters during the field season, or to decide that he shall have no temporary head-quarters other than the station fixed for him to work up his surveys during the season.

D. P. W.
SOUTH ARCOT. No. 267

DISTRICT ENGINEER'S OFFICE.
Camp Polundoorpet
Dated 8th December 1877

General

FROM
THE DISTRICT ENGINEER,
SOUTH ARCOT.

TO
THE CHIEF ENGINEER

D. P. W.

Enclosures

Sir,

I have the honor to report —
that the Examiner considers it necessary for me to request that Government shall decide on where the temporary Headquarters of Mr. J. B. Pemberton Executive Engineer and Mr. A. Clarke Asst. Engineer should be for the months of October & Nov.

2. Mr. Pemberton was sent to Trinomalai taluk to investigate the Hottan Project; he started on the 1st October from Suddalore arrived at Trinomalai on the 4th and was at Trinomalai and Malapadcor from the 5th to 23rd on which date he broke his arm; during that time he made 4 marches. I thought it right to consider that Suddalore was his

his Head quarters (last ill. Timberline
not broke his arm he would have left
Tumacacui today as the work was stopped
and allowed him half travelling allowance
when halting and full when moving
Camp and I request this may be sanc-
tioned.

3. Mr. Clarke has been on survey duties
at Potosi his work being about 6 miles
south and 6 miles north, he was there
and in Camp near from the 1st October
to the 24th November and I allowed him
half travelling allowance when halting
making Guadalupe his Head quarters.
I suppose it is necessary that this should
be sanctioned.

4. Mr. Clarke is now gone to M. L. L. L.
I request to be informed what place
should be considered his Head quarters.
his work is about 5 miles north of it
and 18 miles south.

I have the honor to be
Sir.

your most obedient servant
