GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

13th December 1877, No. 2,076 W.

General.
Account.

Read the following papers:—

No. 125. From Captain A. AWDRY R.E., Acting District Engineer, Coimbatore, to the Chief Engineer, Public Works Department, dated Coimbatore, 19th November 1877, No. 145.

I HAVE the honor to inform you that the Executive Engineer in charge of Irrigation Division has applied for permission to purchase a pair of bullocks for use in the chunam-mill for the construction of the Sub-Collector's house at Erode.

2. The hire of bullocks is now very costly, and the feed of them if purchased will not cost much as arrangements have been made with the Revenue authorities for their grazing with the Government bullocks on the grass planted in the compound of the Taluq Cutcherry.

3. I have therefore the honor to request sanction to the purchase as the arrangement is an economical one.

No. 125-A. From the same Officer, dated Coimbatore, 8th December 1877, No. 159 C.I.

WITH reference to your memorandum No. 4,282, of the 4th instant, I have the honor to inform you that the bullocks alluded to in paragraph 2 of my letter No. 145, of 19th November 1877, are those employed in public topes in charge of the Revenue Department, which now graze on the grass planted in the Taluq Cutcherry compound at Erode.

2. Arrangements have been made for the bullocks now proposed to be purchased for the Sub-Collector's house at Erode to graze with those of the public topes.

No. 126. ORDER THEREON, 13th December 1877, No. 2,076 W.

THERE being no funds available with the Government for purchase of the bullocks applied for by the District Engineer, the matter must lie over for the present, unless Captain Awdry can provide funds by transfer.
