Read the following paper :—

No. 82. From Captain A. AWDRY, R.E., Acting District Engineer, Coimbatore, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Coimbatore, 5th June 1877, No. 28 C. I.

With reference to G.O., No. 583, of 22nd February 1877, sanctioning Rupees 510 for providing sleeping compartments in the Central Jail at this station, I have the honor to inform you that there is so much work to be done in the jail, and so few carpenters to do it that I can only get two convicts, who are very slow workers, to fit up the work which I have prepared in the rough.

2. The work will, therefore, be very long in execution by convict labor and the supervising establishment can ill be spared in the present pressure of work for so long a period.

3. I have, therefore, the honor to request that the amount (Rupees 102) deducted on account of convict labor may be sanctioned so that I may employ free labor and get the work finished out of hand in a fortnight as I should then be able to do.
