GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

11th June 1877, No. 219 W.

Buildings and Roads.
Civil Works.

Read the following paper :—

No. 84. From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Calicut, 5th June 1877, No. 32.

WITH reference to G.O., No. 154 W, dated 29th May 1877, I have the honor to state that the bridge referred to in letter No. 84—62, dated 11th idem, from the Officiating Superintendent of Coorg is presumed to be the Irrity bridge, which has been closed as in dangerous condition, and a ferry established; the whole superstructure of the bridge requires entire renewal, and it will take about Rupees 80,000, the size of river precluding all attempt at temporary bridging. The Local Fund Board is not in a position to give funds for the purpose.

Nos. 85 86. ORDER THEREON, 11th June 1877, No. 219 W.
ORDERED that the Government of Mysore be addressed.
