*Proceedings of the Madras Government, Military Department,  
9th April 1877.*

**Barracks and Buildings.**

Read the following papers :—

No. 141. From Brigadier-General H. O'CONNELL, Quartermaster-General, to Colonel J. MICHAEL, c.s.i., Secretary to Government, Military Department; dated Fort St. George, 27th February 1877, No. 1531.

With reference to O.G., No. 2387, dated 9th September 1876, Public Works Department, the Commander-in-Chief having approved the plan and estimate marginally noted, I am directed by His Excellency to submit them for the consideration and orders of Government.

*Enclosures 4.*  
Amounting to Rupees 7,645 for a double wash-house and urinals to the new block of Barracks and Band Barracks at Bellary. The estimate seems high, but, the health of the troops being the first consideration, and looking to the wonderful immunity from sickness attending the troops at Bellary from sanitary measures adopted there, His Excellency the Commander-in-Chief recommends that sanction be accorded to this work.

2. If approved by Government, it is requested that the papers may be forwarded to the Department Public Works for disposal.

No. 142. From Brigadier-General H. O'CONNELL, Quartermaster-General, to Colonel J. MICHAEL, c.s.i., Secretary to Government, Military Department; dated Fort St. George, 15th March 1877, No. 2101.

With reference to your memorandum, No. 1362, dated 9th instant, I have the honor, by order, to forward letter from the Officer Commanding Ceded Districts, reporting on the sites selected for the wash-houses and urinals for the two new blocks of barracks for the British Infantry at Bellary.

From Brigadier-General F. G. KEMPSTER, Commanding Ceded Districts, to Brigadier-General H. O'CONNELL, Quartermaster-General, Fort St. George; dated Bellary, 13th March 1877, No. 50.

Adverting to your No. 1905, dated the 9th instant, herewith returned, I have the honor to report that the site selected for the wash-house and urinals for the two new blocks of British Infantry Barracks holds an almost similar position, with reference to one of them, as other wash-houses do to their respective barracks.

The entrance to the wash-houses being 20 feet from the barrack verandah, and that to the urinals 50 feet:

2. There exists almost a necessity that the urinals be close at hand, otherwise at night the men would not make use of them.

The proximity of the wash-houses in other instances has not been unfavorably reported upon.

No. 143. ORDER THEREON, 9th April 1877, No. 2118.

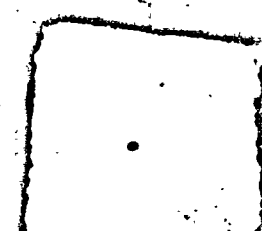

Approved generally, and transferred to the Public Works Department for the consideration and orders of Government.

(True Extract.)
