GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

22nd December 1877, No. 2,226 W.

Buildings and Roads.

Civil Works.

Read the following papers :—

No. 206. From H. G. TURNER, Esq., C.S., Acting Postmaster-General, to the Secretary to Government, Public Works Department, dated Madras, 3rd December 1877, No. 9,368-3,407.

In accordance with the instructions conveyed in the Public Works Department, dated 28th September 1877, No. 794 W, the Inspector of Post Offices of the Palamcottah Division, in whose division Travancore is also included, applied to the District Engineer of Malabar to execute some repairs to the Post Office at Quilon which is a Government building. But that officer has replied that the Department of Public Works is not now in a position to undertake any work at Quilon, and he suggests that the repairs should be undertaken by the Postal Department.

2. I have no doubt that this can be done, but as it runs counter to the provisions of Government on the subject, I have the honor to request further instructions.

No. 4,281.

Referred to the District Engineer, Malabar, for report.

4th December 1877. (Signed) W. FAREWELL, Colonel, Under Secretary to Government, P.W.D.

No. 206-A. From Captain H. BAILEY, Acting District Engineer, Malabar, to the Deputy Chief Engineer, Public Works Department, dated Calicut, 8th December 1877, No. 132.

With reference to your endorsement, No. 4,281, of the 4th instant, on letter* from the Postmaster-General, No. 9,368-3,407 of the 3rd idem, I have the honor to inform you that this department has at present no subordinate to send to Quilon to carry out the work; it would therefore it seems to me be better for the Postal Department to carry it out in the present instance.

* Herewith returned.

2. The Officer in charge of Palghaut Division is, I believe, now at Quilon and will I presume report on the state of the Post Office there.

No. 206-B. From the same Officer, dated Calicut, 18th December 1877, No. 138.

In reply to your memorandum, No. 4,409, dated 11th instant, I have the honor to state that the Palghaut Range Officer inspected the Government buildings at Quilon including the Post Office; an estimate for its repair has been called for, on receipt of which it will be forwarded for sanction.

The order of the 28th September 1877 No 794 W. does not preclude repairs at Dharmadom being carried out by Civil Agency when such an arrangement would be more convenient than employing the Public Works Department, and as this seems to be the case in the present instance, the execution of the work of repairing the Post Office by the Postal Department is approved.
