GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

22nd December 1877, No. 2,223 W.

Buildings and Roads.
Civil Works.

Read the following papers :—

No. 210. From Colonel C.S. HEARN, Inspector General of Police, to the Secretary to Government, Public Works Department, dated Madras, 9th July 1877, No. 2,995.

I HAVE the honor to submit, for the sanction of Government, the accompanying Public Works Department plan and estimate* with specification amounting to Rupees 507 for alteration by that department of the bungalow at Tholoodoor into a Police station-house, in the South Arcot District.

2. The work is entered at an approximate cost of Rupees 400 in the lists approved by Government in G.O., No. 132, dated 15th January 1877, Public Works Department, and the additional sum of Rupees 107 required will be provided for in due course hereafter in 1877-78 should funds become available for the purpose.

3. The documents are submitted *direct* to save delay as requested by the Superintendent of Police.

No. 210-A. From the same Officer, dated Madras, 6th December 1877, No. 5,411.

ADVERTING to the Deputy Chief Engineer's memorandum, No. 2,070, dated 25th July last, I have the honor to forward for sanction the accompanying revised Public Works Department estimate, with plan and specification report, amounting to Rupees 640 for altering the Tholoodoor bungalow, South Arcot District, into a Police station-house, without affecting the existing additional accommodation in it as suggested by that officer.

2. Funds to the extent of Rupees 400 only are available for expenditure by Public Works Department in 1877-78, and the balance (Rupees 240) will be included in the lists of incomplete works due in April next should no money in the meanwhile become available for transfer to the district.

3. If this proposal meet the approval of Government I beg to request that sanction be accorded for the appropriation of Rupees 400 from the balance of the Provincial Reserve of 1877-78 accordingly.

4. The cost (Rupees 142) of a new cook-house and latrine proposed to be added by the District Engineer has been struck out of the estimate, as being unnecessary for Police purposes and also for want of sufficient funds in the Police hutting and building allotment.

5. The documents are submitted *direct* to save delay.

No. 210

- Report and Specification for
Repairing the Traveller's Bungalow at the London & Coast Road.
The present walls of the Lock up and bath room near are
cracked, it is therefore proposed to rebuild them with Brick in Chumam.
- 2 The Lock up room will be provided with a fresh strong battened
door 3 x 6 & one iron barred ventilator 3 x 2 and the floor hatched
on brick jelly in Chumam.
- 3 The building has basement walls, here and there a good deal
worn out. It is proposed to scrape off the present plaster and fill
in the interstices wherever bricks are corroded, with brick jelly &
concrete and outside plastered. Also sundry plastering where
ever required will be done and all the walls whitewashed.
- 4 The present wooden paths having their bottom rotten it is
proposed to cut them & introduce granite stone plates of 6 depth
under them. About three of them being bad it is also proposed to
renew them.
- 5 The roofing to be wholly undone & reset; as most of the Palmy-
rah rafters are longer than necessary it is proposed to cut off the
rotten Eaves and ridge ends & reset them. The rafters will be
re-nailed which will be almost new for the main rooms & tiling
to be reset with necessary fresh tiles. The rafters & tiles to be put
new to be confined to one part of the building instead of as now
done all throughout mixed with old articles.
- 6 The present floor is of 1/2 bricks but greatly uneven & worn
out. I think it can be allowed to remain. But if considered

objectionable, the same may be broken into jelly & the floor re-
laid with this jelly in chunam & top plastered

7. The three steps leading to the building having their sides
demolished, it is proposed to rebuild them

8. The present doors although old are fit to remain & only
provision of nails & Hooks &c are herein made for them

9. As the cook room & Lathind must be rebuilt a separate
estimate for the same is also submitted

10. The workmanship and materials to be as per standing
orders and data herewith attached

Witnessed at office on

District Engineer

next should no money in the meanwhile
become available for transfer to the District.

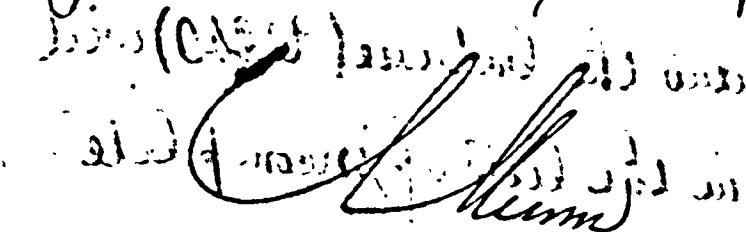

3. If this proposal meet the approval of
Government I beg to request that sanction be
accorded for the appropriation of Rs 400 from
the balance of the Provincial Reserve of 1877/78
accordingly.

4. The cost (Rs 142) of a new Cook house
and latrine proposed to be added by the
District Engineer has been struck out of
the Estimate, as being unnecessary for Police
purposes and also for want of sufficient
funds in the Police Budget and Building
allotment.

5. The documents are submitted direct
to save delay.
