GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

29th December 1877, No. 2,247 W.

General.
Establishment.

Read the following paper:—

No. 229. From Major H. R. MEAD, R.E., District Engineer, South Arcot, to the Chief Engineer, Public Works Department, dated Camp at Kullacoorchi, 10th December 1877, No. 216.

I HAVE the honor to forward a copy of a letter from Mr. F. B. Pemberton, Executive Engineer, on famine duty in this district, requesting as a special case that he may be allowed to draw full pay for the period he has been and will be laid up, unable to work, in consequence of his broken arm.

2. In my letter No. 165, dated 29th October, I reported the fact of Mr. Pemberton having broken his arm on the night of the 23rd October when travelling on duty, he came into Cuddalore on the 2nd November, and has been there ever since. I fear that there is but little hope of his being able to return to duty until next month, as the fracture was a bad one, and much aggravated by his journey of upwards of 80 miles.

3. Mr. Pemberton has no privilege leave due to him, and should Government not grant him the indulgence asked for will have to go on half pay for the time he is sick and unable to do duty. I request if possible that he may be allowed as a special case to draw his full pay.

From F. B. PEMBERTON, Esq., Executive Engineer, on Special Famine Duty, to Major H. R. MEAD, R.E., District Engineer, South Arcot, dated Cuddalore, 30th November 1877, No. 20.

You are aware that on the 23rd of last month I sustained a very serious accident and broke my right arm whilst travelling from Trinomalay to Mala Padoor for the purpose of taking surveys, &c., in connection with the Cheyar irrigational project, which has necessitated my being placed on the sick list.

2. There is a clause in the sick leave rules of the department to the effect that if an officer remains over a month on the sick list he draws only half pay during the whole of that period. This evidently has reference to cases of ordinary sickness, but as my accident happened whilst I was in the discharge of my public duty, and as it is not a case of ordinary sickness, I trust that as a special case I may be allowed to draw full pay during such time as I may unfortunately be compelled to remain on the sick list.

No. 229 A. From the Examiner of Public Works Accounts, dated 19th December 1877.

No. 230. ORDER THEREON, 29th December 1877, No. 2,247 W.

THE indulgence sought for cannot be granted. Mr. Pemberton must draw pay at the ordinary rate for sick leave; which he should apply for in the usual course.
