I HAVE the honor to state that the total cost of the new Lecture-room and Library amounted to Rupees 37,396 against an estimate of Rupees 41,200, showing a saving of Rupees 3,804, as reported in my predecessor's letter No. 475 of the 12th May 1876.

In the statement of incomplete works for the Budget of 1876-77 my predecessor put down a sum of Rupees 436 for making certain articles of furniture and putting iron railings (both contingencies on the sanctioned estimate) to the Library. No special allotment was made unless under the head of "Minor Works."
