24th January 1877. No. 230.*

Read the following papers:—

No. 446. From W. S. HARRINGTON, Esq., District Engineer, Madura, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department—through the Examiner of Public Works Accounts—dated Madura, 13th January 1877, No. 4,047.

I HAVE the honor to bring to your notice that, with reference to G.O., No. 3,375, of 25th November 1875, certain instruments that were unserviceable in the Dindigul Range have been repaired in the Public Works Workshops and Stores. The General Superintendent has sent in a bill, amounting to Rupees 52-1-0, being the charge for the repairs including package, &c. As the amount of this bill should be adjusted I request that you will be good enough to allot the above sum, as the current year's grant of Rupees 93 under Repairs, Tools and Plant, Provincial, has already been fully appropriated, and there are no funds at my disposal to meet the present charge.
