GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

13th June 1877, No. 232 W.

Buildings and Roads.
Account.

Read the following paper :—

No. 109. From Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore,
to the Chief Engineer, Public Works Department, Buildings and Roads,
dated Tanjore, 24th April 1877, No. 705.

I HAVE the honor to inform you that Mr. Supervisor Baker, in charge of the Myaveram Sub-division, has brought to notice that he has given up, for the use of his office and stores, two rooms in the house occupied by him from the 15th February last, and requests that a monthly rent of Rupees 10 may be allowed for the same. The claim is supported by the Range Officer, Mr. Hannan, who considers it a reasonable one. As there is no office accommodation provided by Government for the Sub-division, and as it is not likely that any other or more satisfactory arrangement than the above can be made at present for the accommodation of the Sub-division office, I have the honor to recommend that a monthly allowance of Rupees 10 may be sanctioned as rent for the Sub-division office from the 15th February last, till such time as the existing arrangement continues, or till a Government building has been provided for the Sub-division office.

No. 110. ORDER THEREON, 13th June 1877, No. 232 W.

THE Governor in Council considers that the Executive Subordinates of the Public Works Department cannot with fairness be required to provide store-room for tools or other such Government property in their custody. He accordingly authorizes District Engineers to include in their contingent charges, and the Examiner to pass, a monthly sum not exceeding Rupees 5 on this account, whenever such an allowance is, in their opinion, reasonable. This course will, in the present instance, be adopted by the District Engineer, Tanjore.

2. The Government do not think that rent can be claimed by subordinates who provide office accommodation for themselves.

Sd/- Sir I have the honour to acknowledge the receipt of your letter of the 14th inst. and to inform you that the Government cannot accede to this application. The room is provided for the men of this class.

I know that the precedent cited by the Engineer is not a correct one. It is that of an Officer who makes his nomination to the room. Is a "Superintendent" of the same grade as an "Inspector"? Has one charge of the work while the other has not?

I don't think
that the Supt. can properly require
its operations or subordinate

lots he is in this custody
& should be disposed to
make an allowance for
the purpose since there
is no public store.

I think I am authorized

it reasonable.

I don't consider that
this man can claim for
providing office accommodation
himself. I think B. S. proposed
to the S. Supt. is too much. A. H.
