GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

15th June 1877, No. 239 W.

Buildings and Roads.
Civil Works.

Read the following papers :—

No. 123. From L. R. BURROWS, Esq., Acting President of the Municipal Commission, Madras, to the Secretary to Government, Public Works Department, dated Madras, 25th May 1877.

I HAVE the honor to acknowledge the receipt of the Order of Government, Public Works Department, dated the 15th instant, No. 76 W, sanctioning an estimate of Rupees 104 for keeping open the mouths of the Mylapore and Triplicane creeks, South Beach, Madras, and remarking that such work should not form a permanent charge on General Revenues, but might more fitly be carried out by the Municipality.

2. The creeks or nullahs in question bring down the drainage of a large portion of Triplicane and Royapettah; but, except in rainy weather, no portion of this drainage reaches the sea, as it is entirely stopped by the dams thrown across the nullah by the Municipality and is utilized for the irrigation of the sewage farms. I have no objection on the part of the Municipality to take charge of the opening of these creeks; but with reference to paragraph 2 of G.O., No. 43, dated 7th January 1876, I would respectfully venture an opinion that there is no necessity for opening them so as to admit of tidal action on their beds, but merely when there is a fall of rain to help the exit of inland water and prevent flooding.

No. 123-A. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Fort St. George, 7th June 1877, No. 1,385.

ADVERTING to your memorandum No. 1,436, dated 31st May 1877, I have the honor to report that Rupees 257 have been
1 Estimate. expended in the current official year up

to date in keeping open the mouths of the Mylapore and Triplicane creeks, and I have directed the Range Officer to abstain from further expenditure.

2. Of this sum of Rupees 257, Rupees 104 was sanctioned and funds allotted by transfer in G.O., No. 76 W, dated 15th May 1877. For the balance, Rupees 153, an estimate was forwarded to the President, Municipal Commission, for payment with reference to paragraph 2 of the above order; but the President returned it, stating that the work was carried out before the G.O., No. 76 W, dated 15th May 1877 came out. I have therefore the honor to submit that estimate for sanction and allotment of funds.
