Buildings and Roads.

Civil Works.

Read the following paper:—

No. 141. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Fort St. George, 6th June 1877, No. 1,372.

I HAVE the honor to submit, for sanction and allotment of funds, an estimate, amounting to Rupees 380, for enclosing the General Hospital compound from the railway railings to the General Hospital bridge, which has been prepared at the request of the Surgeon-General, Indian Medical Department, and approved of by that officer.

2. The Medical authorities report that if the railings erected by the South Indian Railway Company be extended to the Hospital bridge it will render the Hospital compound more private and prevent the toties washing the contagious and infectious foul linen in the river Cooum, and will also prevent thefts from the buildings in the Hospital compound.
