From,

The District Engineer,
Madura

Sir,

In reply to your letter No 82 of the
23rd Inst. I have the honor to inform you
that Quaiser Subbrayulu Naidu is suffering
from Rheumatism, pains in the chest, and
occasional attacks of difficult breathing; as he
has been only a week under treatment it is
impossible for me to say how soon he will recover,
but at any rate I should think he needs rest
and change of air.

2. I believe he is really unwell and
unfit for office work at present. It would
appear he was treated for the same ailment
by Doctor Robinson one of my predecessors

In continuation of my
No. 35 of the 23rd Instant I have the
honor to forward for your information
copy of the Gellish Surgeon's No. 125 of
the 26th Idem stating that Overseer

2. I have asked Mr. Paguder
to obtain from him an application
for sick leave in the prescribed
form which will be submitted

thru' the Examiner of P.W. Accounts,
on its receipt -

3. I regret to state that the
Quereers accounts are in an unsatis-
-factory state and that he has paid
no attention to Mr. Pym's repeated
orders regarding the prosecution of cer-
-tain works and the manner in which
the accounts should be kept. I think
however that this officer has been
too confiding and far too lax. The
relieving ^{Sub} Quereer has been seriously
warned by me that he must be most
careful and precise in taking over
charge from the Quereer.

Certificate

As stated in my No 22 dated 8th Instant I suspended overseer "Sobrayaloo-tandu" till such time as he should complete his long outstanding and unsatisfactory accounts. My proceedings were approved in your Memorandum No 1257 of the 14th Idem. I have now the honor to bring to your notice that the overseer would appear to have applied for a Medical certificate a few days after his suspension and I forward copy of Mr. Executive Engineer/Payuter's letter as per margin in support of this opinion. The certificate forwarded by the Zillah Surgeon merely testifies to the fact of the overseer having been admitted as an out-patient of the Civil Dispensary on the 19th Instant. I have requested Dr. Wilkins to favor me with a decided expression of his opinion regarding the

that this Quartermaster should have adopted the
