Read the following paper :—

No. 155. From J. O'SHAUGHNESSY, Esq., District Engineer, Nellore, to the Chief Engineer, Public Works Department, dated Nellore, 8th June 1877, No. 802.

WHEN His Grace the Governor visited Nellore last month I asked for myself and for the Canal Officers the honor of being permitted to associate His Grace's name more closely with the work by having it called the Buckingham Canal, and I have the pleasure to inform you that His Grace kindly granted my request.

2. I have thought that an order of Government might be required to have the change in name of the canal formally acknowledged in the different officers who have occasion to make reference to it, but a circular from yourself to the Examiner of Accounts, the Board of Revenue, and the different officers of the Secretariat will perhaps be sufficient. I beg, however, to refer the matter to you. The change will be carried out at once in this district and formally notified in the District Gazette.

No. 156. ORDER THEREON, 16th June 1877, No. 256 W.

THE notification of the change of name should be deferred until the canal has been opened.
