Buildings and Roads
Civil Works

Read the following papers —

No. 159 From Lieutenant-Colonel H L PRENDERGAST, R E, District Engineer, North Arcot, to the Chief Engineer, Public Works Department, Buildings and Roads,—through the Examiner of Public Works Accounts—dated Vellore, 9th June 1877, No 840

With reference to G O, No 145 W, dated 28th May 1877, I have the honor to report that my Budget allotment, Rupees 400, for Minor New Works, Civil Buildings, has already demands for Rupees 300 for works sanctioned by local authorities, and there is thus a balance of only Rupees 100 to provide for the work estimated at Rupees 170 for improving the Maderpauk Cutcherry.

2 I have therefore the honor to request that a further allotment of Rupees 70 may be made to the district, or that I may be authorized to carry out the work in anticipation of funds being given later in the year.
