GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT

18th June 1877, No. 264 W.

Gener

Establishment.

Read the following papers —

No 169. From Captain L CONWAY GORDON, R E, Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Fort St. George, 24th April 1877, No 13 W.

As requested by Lieutenant A. W. Smart, R E, I have the honor to submit, for the orders of Government, the accompanying letter No 17, of the 17th April 1877, in which he solicits a reconsideration of the orders issued in paragraph 5 of G O., No 458, of the 9th February 1877, on his previous application to have his name entered in the list of those officers who have re-elected the old scale of salaries.

From Lieutenant A. W. SMART, R E., Assistant Engineer, Tanjore, to Captain L. CONWAY GORDON, R E, Examiner of Public Works Accounts, dated Tanjore, 17th April 1877, No 17

With reference to G O., No 458, dated 9th February 1877, forwarded with your endorsement No E 2,041 W, dated 27th February, I have the honor to request that you will be good enough to ask Government to reconsider their order in the above quoted Government Order as far as it concerns myself for the following reasons —

1st — G O., No 3,554, dated 28th December, was not communicated to me, and, from an application for a copy I made to Captain Brockman, appears not to have been received in this district. I did not know of the existence of this order till I saw it mentioned in G O., No 458, dated 9th February.

2nd — It was not till the middle of January that in course of conversation with Captain Brockman that I came to know how the alteration from the new scale to the old scale would affect me, not only now but hereafter.

3rd — That as I do not intend to leave India after my seven years' term is over, that in grade of Fourth-class Executive I shall probably lose as much as I shall gain by the refund of the difference in the grade of Second-class Assistant.

No. 1,164.

REFERRED to the District Engineer, Tanjore, for remarks, with copy of G O. No. 3,554, of the 28th December last. The communication of this order to the District Engineer would have served no useful purpose. It is presumed that copies of G O., No. 2,465, dated the 15th September 1876, and G O. No. 2,998, dated the 9th November 1876, were furnished to Lieutenant Smart.
