REFERRING to paragraph 2 of Board's Proceedings, dated 16th August 1876, No. 2,083, the Collector proposed to reduce the expenditure under Petty Construction and Repairs to salt works from Rupees 51,924, the sanctioned grant for the current year, to Rupees 25,959; and the difference, viz., Rupees 25,965, was therefore included by the Board in the savings reported by them to Government in their Proceedings, dated 23rd October 1876, No. 2,636. But in consequence of the serious damage to salt works caused by the recent cyclone the Collector now submits revised lists of works to be executed during the current year.
