Read the following paper.—

No. 252. Endorsement of the Secretary to Government, Military Department,
dated Fort St George, 18th June 1877, No. 3,594

From Colonel J. G TOUCH, Officiating Controller of Military Accounts, to the
Secretary to Government, Military Department, dated Fort St. George, 16th
June 1877, E.

I HAVE the honor to forward letter from the Commissary-General, No 2,067,
dated 15th June 1877, with enclosures, suggesting that the repairs required to a house
at present occupied by the Commissariat Department at Palaveram as a store-room
may, under the circumstances, be executed by the Public Works Department.

2. The suggestion being one for the consideration of Government in the Public
Works Department, this office has no remarks to offer.

3. It might be preferable, on financial grounds, to purchase the house and to
convert it into a suitable store-room than
to incur an annual outlay of Rupees 150*
and the necessity of executing all repairs.

* Rs. $12\frac{1}{2} \times 12 =$ Rs 150

TRANSFERRED to the Public Works Department for the consideration and orders
of Government.

Secretary to Government, M.D.

expended. *Respectfully*

To The Station Street, Palawan

Dated 25 April 1877.

Memo No 151 of 11th April 1877.
 It is the honor to request that the
 repairs absolutely required to the building

occupied by the Commanisariat store at
 Palaniam may be ascertained & intimated
 as the Landlord of the building states he
 expended some 300 Rupees so lately as
 Novem last in re-roofing as well as
 whitewashing and other petty repairs to the
 building and as the rent is only 12 1/2 Rupees
 it would be hard to press the Contractor
 to make further repairs, especially at this
 season when every thing is dear and
 water scarce. It does not seem a favorable
 time for repairing the fence.
