*Proceedings of the Madras Government, Public Works Department,
5th January 1877. No. 30.*

No. 56. Read the following letter from W. A. GOODCHAP, Esq., District Engineer, Kurnool, to Major-General G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Cumbum, 23rd December 1876, No. 92:—

As a reference has been made to this office by the Special Engineer, Mr. Johnston, and the Range Officers with regard to G.O., No. 3,284, dated 4th December 1876, sanctioning extra fixed allowance for Executive Officers and Upper Subordinates in charge of Ranges and Taluqs during the present distress, the former requesting to be informed if the extra fixed allowance may be drawn by himself and staff, and the latter officers soliciting that some indulgence may be granted to Sub-overseers and Travelling Clerks, I have the honor to report that the scarcity is very much felt by the latter subordinates, and my camp writer in particular, and that it would be a great boon to the Special Officer and his staff if they are allowed to draw the extra fixed allowance.

2. I beg to submit their case to your kind and favorable consideration.

No. 57. ORDER THEREON, 5th January 1877, No. 30.

ESTABLISHMENT, No. 4.

MR. JOHNSTON and staff have no travelling, but are only required to attend to works at Cumbum. They do not therefore come within the scope of G.O., No. 3,284, dated 4th December 1876.
