G.O. No. 332	(W)	Press Mis.
Dated 1-2-1872		

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
1st February 1877. No. 333.*

No. 40. Read the following endorsement of the Secretary to Government, Revenue Department, dated Fort St. George, 22nd January 1877:—

Read the following Proceedings of the Board of Revenue, dated 17th January 1877, Miscellaneous No. 593.

Read the following letter from J. C. HORSFALL, Esq., Acting Collector of Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Madura, 2nd October 1876, No. 357.

I HAVE the honor to request that the sanction of Government may be obtained for the sum of Rupees 300, paid under the orders noted in the margin, on account of compensation for 10-0-8 acres of land in Kalakudi village of the Rannad Zemindari, taken up for the old salt road from Morecolam to Yettivoyal, the construction of which was undertaken and completed by the Department of Public Works under the sanction of Government, dated 15th May 1866, No. 1,559.

2. As stated in paragraph 10 of this office letter, No. 144, dated 7th June 1867, recorded in the Board's Proceedings, dated 18th July 1867, No. 4,544, this work was commenced in 1865-66 and was completed in the next year. The road, though first started as a salt road, had been afterwards abandoned and another line substituted for it.—(See paragraph 3 of this office letter No. 344, dated 25th November 1872.) The Local Fund Board of the Madura Circle took it as a branch to the road from Yettivoyal to Keelakarai.

3. The Inamdars of Kalakudi village did not claim compensation for a long time for the lands lost by them. In 1874 they applied for it, and Mr. Bliss, after satisfying himself of the correctness of their claims, referred their application for the disposal of the Local Fund Board; but they have declined to pay any compensation as they had nothing to do with the taking up of the land, which occurred long before they came in charge of the road. This being an old claim, Mr. Bliss ordered the compensation to be paid, and at the same time submitted for audit a bill to the Examiner of Public Works Accounts through the District Engineer. The Examiner refuses to pass the bill, as no provision appears to have been made for the charge in the sanctioned estimate for the work, and requires the special sanction of Government for the passing of the bill. I enclose a copy of his letter No. 62 M.D., dated 11th September 1876, for the perusal of the Board.

From the Examiner of Public Works Accounts, to the District Engineer, Madura, dated Fort St. George, 11th September 1876, No. 62 M.D.

In returning the enclosure received with your endorsement No. 2,021, dated 1st September 1876, I have the honor to state that the bill for compensation for land taken up for the road from Morecolam to Yettivoyal cannot be passed by this Office in the absence of the special sanction of Government, which it is requested may now be obtained.

2. This special sanction is required as no provision appears to have been made for the charge in the sanctioned estimate for the work.

Proceedings of the Madras Government, Public Works Department,
1st February 1877. No. 333.

SUBMITTED to Government with request that the Examiner of Public Works Accounts, who objects to pass the charge on the ground that the estimate for the road did not include provision for compensation for land, may be authorized to withdraw his objection.

2. The money appears to have been already paid from Imperial Funds. The road is a salt road and has not yet been formally abandoned as such or transferred to the Local Fund Board.
