No 7 Endorsement of the Secretary to Government, Revenue Department,
dated Fort St. George, 26th June 1877

Proceedings of the Board of Revenue, dated 23rd June 1877, Miscellaneous No 9,071
From G D LEMAN, Esq, Collector of the Kistna District, to H E STOKES, Esq,
Secretary to the Board of Revenue, dated Masulipatam, 19th June 1877,
No 1,240

THE Superintending Engineer informs me that the Rupees 15,000 allotted in this
year's Budget for improving the Collec-
tor's Cutcherry here has been, under
See Item 3
orders of the Government, held in abeyance

2 The Board are aware that an estimate for Rupees 34,130 was sanctioned so
long ago as the 17th July 1875. The building was then declared to be in a very
bad condition. Nothing has been done to strengthen and otherwise improve it, and it
has so deteriorated that it now requires a very considerable sum of money to make it
habitable even. The Collector's room becomes a tank when it is raining, for, the
roof and ceiling are so rotten and out of order that the sky is visible through them.
The Clerks' room leaks, and the verandah pillars I have been obliged to patch
lest they fall

3 I have just countersigned an estimate (Rupees 470) to enable the Superin-
tending Engineer to do what is absolutely necessary at present, but if either the
15,000 Rupees or some less sum is given a real commencement can be made of the
improvements. In this case I request telegraphic instructions

SUBMITTED for the orders of Government

ORDER THEREON, 2nd July 1877, No. 338 W.

THE demands on the resources of Government under Provincial for works in progress will, it is feared, be in excess of available funds. Under these circumstances the postponement of uncommenced works, many of them important in themselves, is unavoidable. It has already been pointed out in paragraph 3 of G.O., No 277 W, dated 20th June 1877, that funds for the Collector's Cutcherry at Masulipatam are not available.
