GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

2nd July 1877, No 339 W.

Buildings and Roads

Military Works

Read the following paper —

No 9. From Brigadier-General H O'CONNELL, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 6th June 1877, No 207—4,226.

Letter from District Engineer, Presidency, No 1,080, dated 24th May 1877, stating that Rupees 720 is the approximate cost for making the alterations and improvements to the Steam Hammer Shed of the Gun Carriage Factory, Madras

The Superintendent of the Factory states that the said work is much required to keep the rain from beating in, his letter No 257 of 1877 is enclosed.

THE Commander-in-Chief having approved the approximate estimate marginally noted, I am directed by His Excellency to submit them for the consideration and orders of Government

2 If approved by Government, it is requested that the papers may be forwarded to the Department Public Works for disposal.

From Major ROSS THOMPSON, R E, District Engineer, Presidency, to the Deputy Assistant Quartermaster-General, Centre District, dated Fort St George, 24th May 1877, No 1,080

ADVERTING to your letter No 2,343, dated 22nd May 1877, I have the honor to inform you that the approximate cost for making alterations and improvements to the Steam Hammer Shed of the Gun Carriage Factory, as already reported to the Superintendent of the Factory, is Rupees 720

2 I request that you will be good enough to obtain sanction of Government for preparation of detailed plan and estimate under the existing rules of the department

No 2,434

FORWARDED to the Quartermaster-General for orders

FORT ST GEORGE,
28th May 1877

(Signed) T RAIKES, Brigadier-General,
Commanding Centre District

No 4,034

RETURNED with reference to Madras Army Regulations paragraphs 2,999, 3,000 and 3,002, with a request that on all occasions of proposals being sent for the orders or approval of His Excellency the Commander-in-Chief, which involve the expenditure of money and for which the sanction of Government has to be obtained, a full and complete explanation may be given showing the necessity for the expenditure

29th May 1877

(By Order,)
(Signed) J. EWING, Major,
Offg Dy Quartermaster-General.

From Lieutenant-Colonel W KERRICH, R.A., Superintendent, Gun Carriage Factory, to the Deputy Assistant Quartermaster-General, Centre District, dated Madras, 15th May 1877, No 257.

I HAVE the honor to inform you that the undermentioned alterations and improvements are much required on these premises

- 1st —The space between the 30 cwt and the 15 cwt steam hammers on the east side to be covered in with corrugated iron to keep the rain from beating in
- 2nd —The four bays on the south side of the 30 cwt Steam Hammer Shed to be weather boarded, the same as on the north and west sides
- 3rd —The north verandah of the same shed to be extended both east and west to the ends of the said shed

2 I request that agreeably to GOCC No 31 of 3rd April 1873, you will be good enough to obtain the sanction of Government for the District Engineer, Presidency, to prepare a detailed plan and estimates for the work.

3 I have ascertained from the District Engineer that the approximate cost of carrying out the alterations and improvements will be about Rupees 720

4 I have included the alterations and additions in my list of buildings required for the Gun Carriage Factory, No 50 of 10th April 1877, furnished to the President of the Standing Barrack Committee

No 2,332

FORWARDED to the Quartermaster-General having reference to his endorsement No. 4,034, dated 29th May 1877, which is herewith returned

MADRAS,
30th May 1877.

(Signed)

T. RAIKES, Brigadier-General,
Commanding Centre District

APPROVED generally and transferred to the Public Works Department for the further consideration and orders of Government
