No. 100. Read the following Proceedings of the Madras Government in the Revenue Department, dated 31st January 1877, No. 439 :—

Read letter from the Collector of North Arcot, dated 26th January 1877, No. 7.

IN Proceedings of Government, No. 155, dated 26th August 1872, Revenue Department, the services of Ruthnavaloo Moodelly, Overseer of the Department of Public Works, were placed at my disposal to superintend certain irrigation works then about to be undertaken in the Arnee Jaghire. The Jaghiredar has now informed me that he purposes to dispense with the Overseer's services from the 1st February next, as the irrigation works in question have all been completed, save one or two, which can safely be left to the contractors. I accordingly gave notice of this to the District Engineer, and requested him to permit Ruthnavaloo Moodelly to return to his permanent office in the Public Works Department on the above date. I have now the honor to forward herewith copies of Colonel Prendergast's letter, No. 3,225, dated the 25th instant, and its enclosure (memorandum No. 81, dated 13th instant, from the Chief Engineer).

2. Ruthnavaloo Moodelly performed his duties in the Arnee Jaghire to my entire satisfaction. He is an intelligent, efficient and honest official. Just now the services of some Overseers under my orders are urgently required for duty in connection with relief works now in progress throughout the district, such as inspection and measurement of work done, &c. I have therefore the honor to request that you will be good enough to obtain the sanction of Government for Ruthnavaloo Moodelly being attached to this district as an extra Overseer in connection with Famine Relief Works, and upon which his services will be exceedingly useful.

3. Soliciting early and favorable orders.

THE employment of Ruthnavaloo Moodelly in connection with Famine Relief Works, as an Overseer, is sanctioned.
