General
Establishment.

Read the following paper:—

No. 83. From W. B. LEGGATT, Esq, A.I.C.E., Officiating District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Camp, Kudatany, 20th June 1877, No 1,185

I HAVE the honor to submit, for the orders of Government, the enclosed list of disallowance received from the Examiner of Public Works Accounts having reference to the pay of an extra Lascar entertained under Supervisor and Conductor Power.

2 The Supervisor was entitled to two Lascars; but, as two men were not sufficient to conduct the field work connected with the preparation of surveys and levels of the Kanvahully Ghaut Pass, the entertainment of an additional Lascar was authorized by me for that purpose

3 The Examiner states that the special sanction of Government is necessary in the matter. I solicit, therefore, that he be empowered to pass the pay of the Lascar in question as a charge against Famine Funds

No. 84. ORDER THEREON, 7th July 1877, No. 370 W.

THE District Engineer should not have authorized the entertainment of an additional Lascar without first obtaining the consent of Government, who confirm the disallowance of the Examiner.
