*Proceedings of the Madras Government, Public Works Department,
3rd February 1877. No. 371.*

Read the following papers :—

No. 112. From Major H. R. MEAD, R.E., District Engineer, South Arcot, to Major-General G. W. WALKER, R.E., Chief Engineer, Public Works Department—through the Examiner of Public Works Accounts—dated Camp, Virdachellam, 26th January 1877, No. 201 :—

With reference to G.O., No. 2,666, dated 3rd October 1876, paragraph 2, I have the honor to state that a bill for Rupees 116-7-0 (one hundred and sixteen and Annas seven), for compensation for land taken up for the 2nd-class Taluq Cutcherry at Trivady, has been received from the Collector for transmission to the Examiner for audit. It would thus appear that the site has been secured, and the amount is required to be paid for the same.

2. There is no grant for the work in the current year. I would however suggest that, in order that the bill may be paid at once, the amount (Rupees 116-7-0) be transferred from the Budget grant of Rupees 3,950, for District Munsiff's Court-house at Virdachellum, as a saving is anticipated from this grant.

No. 112-A. From the Examiner of Public Works Accounts, dated 1st February 1876, No. E. 173 S.A.

No. 113. ORDER THEREON, 3rd February 1877, No. 371.
