GOVERNMENT OF MADRAS
REVENUE DEPARTMENT.

16th June 1877, No. 2,011.

Read the following papers —

No. 330 Endorsement of the Secretary to Government, Public Works Department, dated Fort St George, 15th May 1877, No 1,263.

Read the following letter from Colonel C V. WILKIESON, R E, Superintending Engineer, Coimbatore, to the Chief Engineer for Roads and Buildings, Madras, dated 9th May 1877, No. 13 C I

I HAVE the honor to bring to your notice that suitable residence for the Sub-Collector is not available at Erode; and, as the construction of the *quarters*, for which an estimate of Rs. 14,940 is sanctioned in G O, No. 164, of 18th January 1877, is more desirable than the provision of the Sub-Collector's *Cutcherry* at the station, I request you will be so good as to obtain sanction for transfer of the budget grant of Rs 7,500 (Item No 6 in the Provincial Budget for 1877-78) to the construction of the *quarters*

2. The travellers' bungalow at Erode, in which the Sub-Collector now resides, can be used as *cutcherry* till a new building is provided.

3. An early order on the subject is solicited.

TRANSFERRED to the Revenue Department for remarks. It will be quite impossible to supplement the transfer proposed from Provincial Funds in 1877-78

(Signed) E A. FOORD, Col., R E,
Secretary to Government, P.W.D

REFERRED to the Board of Revenue for their remarks

Offg. Secretary to Government.

No 331. Proceedings of the Board of Revenue, dated 6th June 1877.

READ endorsement of Government, Revenue Department, dated 21st May 1877, on a letter* from the Superintending Engineer, Coimbatore, requesting transfer of the budget grant of Rs 7,500 for the construction of the Sub-Collector's *Cutcherry* to the construction of the *quarters*

Read also the following letter from G. McWATTERS, Esq., Acting Sub-Collector, Coimbatore, to A. WEDDERBURN, Esq., Collector of Coimbatore, dated 17th May 1877, No 164.

I HAVE the honor to request that you will obtain the sanction of Government to have the allotment provided in the budget of 1877-78 for the Sub-Collector's *Cutcherry* at Erode transferred to the Sub-Collector's house, for which a plan and estimate have been already sanctioned.

By District Engineer

Revenue Department, 16th June 1877, No. 2,011.

2. To any one acquainted with Erode, I need hardly state that, as regards the transfer of the head-quarters of the Sub-Collector, a suitable residence for the Sub-Collector is a thousand times more urgently required than an office, and that it is, therefore, most desirable that the residence should have the preference in the budget and be built the first.

3. In their first order sanctioning the provision of a suitable residence for the Sub-Collector at Erode, the Government were pleased to direct that the plan and estimate should be prepared so as to have the work entered if possible in the ensuing year's budget, that was in the budget for 1876-77. The plan and estimate were only finally approved in January 1877 (vide G.O. dated 16th January 1877, No. 164, Public Works Department).

No. 81.

FORWARDED, through the Board of Revenue, for favorable consideration.

COIMBATORE,
23rd May 1877.

(Signed) A. MARTINDALE,
for Collector.

MR. WEDDERBURN's letter will be submitted to Government with reference to endorsement, dated 21st May, on letter from Superintending Engineer, Coimbatore.

2. The Board consent in thinking that the Sub-Collector's house should be commenced before the cutcherry.

ORDER THEREON, 16th June 1877, No. 2,011.

Miscellaneous.

Ordered that the Proceedings of the Board of Revenue above recorded be communicated to the Public Works Department with reference to endorsement of that Department, dated 15th May 1877, No. 1,263, with the intimation that the proposal made in paragraph 1 of the letter from the Superintending Engineer, Coimbatore, of 9th idem, is approved in this department.
