✓ No 127-A From W. S. HARRINGTON, Esq., District Engineer, Madura, to the Chief Engineer, Public Works Department, dated Dindigul, 13th June 1877, No. 51

With reference to your No 1,508, dated 7th instant, I have the honor to state that the estimate for improving the Sub-Magistrate's Cutcherry at Tiroochooly was sanctioned on the 29th November last by Colonel Fischer. I have now called upon the Madura Range Officer to return the estimate for submission to Government for sanction.

2 Mr. Paynter has incurred an expenditure of Rupees 118-14-3 on this work, in April last, in the absence of an allotment; his explanation will also be obtained and forwarded

✓ No 127-B From the same Officer, dated Dindigul, 2nd July 1877, No. 67

In continuation of my No 51* of the 13th June, I have the honor to submit, for the sanction of Government and for an allotment of funds, the enclosed estimate of Rupees 150 for improving the Sub-Magistrate's Cutcherry at Tiroochooly.

1 Estimate of Rupees 150

1 Copy of Colonel Fischer's No 3,311, dated 29th November 1876, with the Madura Range Officer's No 2,468, dated 24th idem

2 The Madura Range Officer, in his No 919 of the 18th idem, states "that the work was put in hand in April last, as per instructions given in Colonel Fischer's No 3,311, dated 29th November last," he further invites attention to my No 185 of the 29th April. This order simply authorized him to proceed with the *incomplete* works alone. The "improvement" to the Sub-Magistrate's Cutcherry under notice is not an incomplete work, as it was not commenced nor any expenditure incurred on it during the last official year. This has been pointed out to Mr Paynter.
