Civil Works.

No. 5. Read the following letter from W. Mc QUHAE, Esq., District Magistrate, Madura, to the Secretary to Government, Public Works Department, Buildings and Roads Branch, dated Madura, 21st April 1877, No. 280:—

WITH reference to the Order of Government in the Public Works Department, dated 29th March 1877, No. 1,074, I have the honor to report that in consequence of the different opinions expressed regarding the necessity for the work therein sanctioned, the place was examined again yesterday by a Committee consisting of the Range Officer, Superintendent of Police, Joint Magistrate and myself. The Superintendent of Police who is chiefly responsible thinks that a little broken glass on the top of the existing wall would be sufficient to prevent anyone climbing over it, and finally we all arrived at the same conclusion.

No. 6. ORDER THEREON, 1st May 1877, No. 3 W.

COMMUNICATED to the District Engineer, Madura.

2. The sanction contained in G.O. No. 1,074 of the 29th March 1877 is cancelled.
