No. 139 Endorsement of the District Engineer, Nellore, dated 3rd July 1877,
No 1,136

From Mr W McCULLAGH, Sub-Engineer, 1st Grade, to the Secretary to
Government, Public Works Department, dated Camp, Noolopollum, Pakala,
East Coast Canal, 28th June 1877, No. A.

I AM one of those deputed from Bengal to Madras for Famine Relief Works I
was first placed under the Collector of Nellore, but as my services were more required
for the East Coast Canal Works I was ordered there, and got charge of Pakala
Section in the Kotapatam Division

2 In consequence of the bad state of my health (a certificate for which I
enclose herewith from my medical attendants), and the hard work I have to perform,
and my great age, being now in my fifty-eighth year, I fear I will lose my life if I
remain much longer here I therefore beg for an order of Government permitting
me to return to my own Presidency without delay.

SUBMITTED to the Chief Engineer.

An effort will be made to relieve Mr. McCullagh temporarily at once, but
another man will be required in his place if it is possible to get one
