*Proceedings of the Madras Government, Public Works Department,
6th February 1877. No. 414.*

No. 193. Read the following letter from Major H. R. MEAD, R.E., District Engineer, South Arcot, to Lieutenant-Colonel J. MULLINS, R.E., Secretary to Government, Public Works Department, dated Camp Porto-Novo, 2nd February 1877, No. 204:—

I HAVE the honor to report the death by drowning of Streenevasa Moodelly, a Temporary Maistry employed in this district. As far as I now know, the following were the circumstances of his death:—

2. He was examining some work done in the rear of a sluice in Vecranum Tank, and slipped into the pool of water formed by the action of the water in rear. He was I believe alone, and unable to struggle out by himself, and was drowned.

3. I will report further regarding it when I have received the report of the inquest and heard further particulars.
