RESOLUTION by the Government of India, Financial Department, dated 12th June 1877, No 377

An officer lately drew an allowance for house-rent while occupying Government quarters without paying rent therefor. The Civil Accountant-General could not check this officer's claims, because he did not know that the officer was inhabiting Government quarters rent-free. The Governor-General in Council requests that each Local Government and Administration will take care that the officer who audits his claims for pay and allowances is informed whenever an officer of Government is allowed to occupy any public building without payment of rent.

2 The Governor-General in Council desires also to remind all public officers that it can rarely, if ever, be right for an officer to draw an allowance for house-rent while he is occupying public premises. Before claiming any such allowance, under such circumstances, an officer should obtain explicit orders authorizing it.

ORDERED, that this Resolution be communicated to the Public Works Department for information and for the issue of further necessary orders.

Ordered also, that a copy of this Resolution be distributed for information and guidance as follows
