GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

17th July 1877, No. 433 W.

Buildings and Roads.  
Account.

Read the following paper:—

No. 235. From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 4th July 1877, No. 2,932.

I HAVE the honor to state, with reference to paragraph 2 of G.O., of 22rd June 1877, No. 289 W, Public Works Department, that the point on which I requested a definite ruling of Government is as follows.

2. If a building is occupied by the Police and a fixed rent paid to the Public Works Department is the cost of repairs of such building to be met from the Ordinary Police grant or from special funds placed at the disposal of District Engineers?

3. I had inclined to the latter view, but the District Engineer, Malabar, thought otherwise, and would have made a reference to Government had not the particular work (repairs to Goodaloor bungalow) in respect of which this difference of opinion arose been removed from his range.

No. 235-A. From the Deputy Examiner of Public Works Accounts, dated Fort St. George, 13th July 1877.

No. 236. ORDER THEREON, 17th July 1877, No. 433 W.

It is observed that rent is not paid to the Public Works Department but to the Provincial Fund. The Public Works Department merely collect it. The cost of repairs must be met from the Provincial grants for repairs of Police buildings. Should the Budget grant for this purpose be insufficient it is open to the Government to supplement it.

from funds allotted for other public work. The impression of the Inspector General of Police evidently is that as rent is paid for the building to the Public Works Department, that Department should relieve the Police of the cost of maintenance.

For opinion

PORT ST. GEORGE, 11TH JULY 1877.  
 THE COST OF REPAIRS MUST BE MET FROM THE P.W. BUDGET GRANT FOR REPAIRS. I KNOW OF NO OTHER FROM WHICH THEY CAN BE MET.

The question seems to be whether a building of the kind specified is to be repaired from funds set apart for Police works or from

The Inspector General of Police } (H.C. No. 2932 of 4 July 1877)

It is observed that rent is not paid to the Public Works Department but to the Provincial Govt. - The Public Works Department merely collect it. The cost of repairs must be met from the Provincial grants for repairs of Police buildings. Should the budget grant for this purpose be insufficient it is open to the Government to supplement it.

I think this is right on the assumption that Police Inspectors are as a rule provided with public quarters. Otherwise I consider that the repairs should be charged to the Provincial C.B. repairs provision.
