GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

17th July 1877, No. 434 W.

General.

Establishment.

Read the following paper :—

No. 237. From Colonel A. S. MOBERLY, R.E., District Engineer, Cuddapah, to the Chief Engineer, Public Works Department, dated Camp, Madanapully, 7th July 1877, No. 824.

I HAVE the honor to forward the accompanying copies of correspondence passed between the Cuddapah Range Officer and the Examiner of Public Works Accounts, relating to an advance of Rupees 30 made to Mr. Overseer Petters employed on Famine Relief Works in this district, and to request your sanction to the proceedings of Conductor C. Seton for the circumstances stated therein.

EXTRACT from a letter from the Officer in charge of Cuddapah Range, to the District Engineer of Cuddapah, dated 2nd July 1877, No. 245.

IN compliance with the Examiner's No. 62 C.D. of the 29th instant, (herewith enclosed,) I have the honor to forward a copy of my No. 189, dated the 21st ultimo, and request you will be good enough to obtain the sanction of Government for the advance of Rupees 30 made to Mr. Petters to enable him to take up his appointment in Jammalamadugu Taluq, as required by the Examiner.

2. The Examiner has not returned Mr. Petters' original application to me. The motives which actuated me in making the advance are explained in my letter to the Examiner, and I trust I will be exonerated from blame.

COPY of a letter from the Officer in charge of Cuddapah Range, to the Examiner of Public Works Accounts, Madras, dated Cuddapah, 21st June 1877, No. 189.

WITH reference to the enclosed docket from Mr. J. Petters, Overseer, Bombay Establishment, on Famine Relief Works in this district, I have the honor to request approval and sanction for the advance of Rupees 30, which I have made to him to enable him to join his new station in Jammalamadugu Taluq.

2. I have been obliged to take the responsibility of making this advance upon my own shoulders owing to the absence of the District Engineer, but should Mr. Petters idle away his time at this station for want of means I presume some measure of blame would attach to me for not assisting him, after his official application for funds, at this particular time.

3. The advance is to be recovered from the salary due to him for the current month.

COPY of a letter from the Examiner of Public Works Accounts, to the Executive Officer, Cuddapah Division, dated Fort St. George, 29th June 1877, No. 62, C.D.

WITH reference to your letter No. 189, of the 21st June 1877, I have the honor to state that the advance of Rupees 30, made to Mr. Petters, was irregular, and should be at once reported to the District Engineer with a view to the sanction of Government being obtained to your proceedings.

2. As regards Mr. Petter's statement, that the pay of his establishment for April and May 1877 had not been received, and that he also had not received his travelling allowance from date of leaving Indore up to the 19th June 1877, I offer the following remarks:—

No bill for the pay of the establishment referred to has been received in this office.

Mr. Petters' claim to travelling allowance from 30th January 1877 to 28th February 1877 was included in the Madanapully Division Bill for March 1877, but audit has been deferred pending receipt of Mr. Petters' inspection report for the period.

For March in Division Bill for March 1877.  
For April and May in Division Bill for May 1877.

Mr. Petters' claim to travelling allowance for March, April and May 1877 have been passed by this office in the Madanapally travelling allowance bills. If therefore Mr. Petters has not

received the amount he should apply for it to the Executive Officer in charge of that Division.

No. 238. ORDER THEREON, 17th July 1877, No. 434 W.

SANCTIONED.

2. Sub-Conductor Seton was justified under the circumstances in making the advance of pay.
