*Proceedings of the Madras Government, Public Works Department,
7th February 1877. No. 434.*

No. 228. Read the following letter from Captain L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to Lieutenant-Colonel J. MULLINS, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 2nd February 1877, No. 404 W:—

I HAVE the honor, with reference to G.O., No. 1,588, dated the 5th June 1875, to forward the accompanying letter received from the District Engineer, Malabar, giving cover to a list of unserviceable tools in the Cannanore Division, and to request that, under the circumstances explained by the District Engineer, the sanction of Government may be accorded to the articles in question being sold by public auction.

2. The book value of the tools, as stated by the District Engineer, is Rupees 1,331-2-9, and the articles are at present borne on the balance returns of Tools and Plant of the Cannanore Division.

From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to Captain L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, dated Calicut, 24th January 1877, No. 111.

In forwarding a list of unserviceable tools, &c., for sale by public auction, received from the Officer in charge of the Cannanore Range, I have the honor to request that you will be good enough to request the sanction of Government for their sale, as by G.Os., No. 243, dated 27th January, and No. 1,588, dated 5th June 1875, District Engineers are only authorized to sell useless tools up to 500 Rupees, while the book value of those now recommended to be sold is Rupees 1,331-2-9. These tools chiefly consist of broken mamooties and pick-axes, which are quite useless, and the tapes, color-boxes, and chain are not worth sending up to the General Stores for repair.

Madras.

SIR,

In forwarding a list of unserviceable tools now for sale by public auction received from the Officer in charge of the Cannanore Range, I have the honor to request that you will be good enough to request the sanction of Government for their sale, as by G. O. No. 243 dated 27 January and No. 1588 dated 8th June 1875. District Engineers are only authorized to sell useless tools up to 500 Rs., while the book value of those now recommended to be sold is Rs. 1531-2-9. These tools chiefly consist of broken hammers and pickaxes which are quite useless, and the tapes, color boxes and chains are not worth sending up to the general stores for repair.

I have the honour to be,

SIR,

Your most obedient Servant.
