No. 263. From A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department, (Establishment—Account,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 9th July 1877, No. 228 E—A.

With reference to your letter No. 185 W, dated the 1st ultimo, I am directed to state, for the information of the Government of Madras, that the following arrangements have been made for placing the services of six Accountants at the disposal of the Examiner, Public Works Accounts, Madras, for employment on the accounts of famine relief operations:—

- (1).—Mr. A. Grant, Accountant, 3rd grade, in the Office of the Examiner of Accounts, Military Works, has been directed to proceed to Madras and report himself to the Examiner, Public Works Accounts, of that Presidency. Mr. Grant's transfer is in the interests of the public service.
- (2).—Messrs. H. E. Fitzsimon and T. Hiekie, recently 3rd Grade Accountants in this department, whose services were dispensed with last year under circumstances which do not preclude their reappointment, have been offered and have accepted *temporary* re-employment as Accountants, 3rd grade, and have also been directed to proceed to Madras and report themselves to the Examiner.

A copy of Public Works Department letter No. 215 E—A, dated 27th June 1877 on this subject is annexed for information.

- (3).—The Government of the North-western Provinces has been requested to supply the remaining three Accountants, selecting such as have experience in the accounts of Irrigation Works.

From the Secretary to the Government of India, Public Works Department, to the Accountant-General, Public Works Department, dated 27th June 1877, No. 215 E-A.

In reply to your note No. 305 E, dated the 18th April last, I am directed to state that as the Government of Madras concur in the necessity for affording the Examiner, Public Works Accounts, of that Presidency the help of some additional experienced Accountants during the pressure of work caused by the famine relief operations, arrangements will be made for temporarily deputing six trained Accountants to Madras for that purpose.

2. I am to add that it appears desirable to take this opportunity of reappointing to the department Messrs. H. E. Fitzsimon and T. Hickie, late Accountants, 3rd grade, referred to in your note No. 359, dated 7th May 1877.

3. You are accordingly authorized to offer them temporary re-employment in the 3rd grade and to direct them to proceed to Madras at once if they are willing to accept the offer. Their permanent appointment will be dependent upon whether their services in Madras are approved.

4. The journey to Madras will, under the rules, be at their own expense, unless they proceed via Calcutta, in which case they will be provided with a free second-class passage by sea from Calcutta to Madras.
