WITH reference to your memorandum No. 1,827 of 2nd July 1877, I have the honor to submit a copy of letter No. 511, dated 12th idem, from the Executive Engineer, Salem Division, and to state that Mr. Supervisor Mahony's services cannot be conveniently spared, as he has plenty to do in his present position in the sub-division of the Salem Range, which comprising four taluqs is very large for an officer to look after the works there with any degree of advantage to Government without the assistance of an assistant.
