Read the following paper :—

No. 301. From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Calicut, 12th July 1877, No. 54.

I HAVE the honor to forward the plan of the Calicut Beach showing its present condition; I venture to suggest that the periodical submission of this survey be suspended, and that it be left to me to send it in whenever any material change occurs. The two timber groynes perfectly protect the beach in their immediate neighbourhood.

No. 302. ORDER THEREON, 21st July 1877, No. 467 W.

As the encroachment seems to have been wholly checked, the proposals contained in Colonel Kennedy's letter are approved.
