GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

23rd July 1877, No. 470 W.

General.
Establishment.

Read the following paper:—

No. 307. From W. B. LEGGATT, Esq., A.I.C.E., Officiating District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Bellary, 16th July 1877, No. 1,587.

WITH reference to the enclosed copy of a communication, No. 888, dated 1st July 1877, from the Executive Engineer, Gooty Range Office, Division, I have the honor to solicit sanction to the entertainment of a substitute on full pay (Rupees 40) for the Draughtsman and Estimator attached to the Gooty Range Office, who has been granted two months' leave on medical certificate from the 10th June 1877.

2. According to the Leave Rules the absentee is entitled to a moiety of pay. The services of an efficient Draughtsman to act for him cannot be secured on the available amount, viz., Rupees 20 per month, hence the present application is made.

3. The entertainment of a substitute is absolutely necessary in order that the work in the Range Office, which is at present unusually heavy, may be attended to. The Executive Engineer thinks that the permanent incumbent is not likely to return to duty for at least six months more.

From P. O'RATIGAN, Esq., C.E., Executive Engineer, Gooty Range, to W. B. LEGGATT, Esq., A.I.C.E., Officiating District Engineer, Bellary, dated Camp, Gooty, 1st July 1877, No. 888.

REFERENCE. His No. 1,261, dated 25th June 1877.

Has the honor to request that an application may be made to Government to sanction full pay for a person to act as Draughtsman during the absence of the permanent incumbent, who will not, it is believed, be fit to return to his duty for at least six months more in addition to the two and a half months' leave which has just been granted to him.

2. Unless some such arrangement as has been suggested above is made, it will not be possible to get a person to take up the acting appointment on Rupees 20 per mensem, and the work of the office will consequently be delayed.

No. 308. ORDER THEREON, 23rd July 1877, No. 470 W.

THE entertainment of a substitute on full pay for a period of six months is sanctioned under the circumstances explained which are exceptional.
This sanction is registered as Provincial No. 3 W of 1877-78.

Works Accounts, dated 24th July 1877.

FOR ORDERS.

The pay of the
Draftsman and Estimator
on leave is Rupees 40,
and half of this sum
only, viz Rs 20, will be
available for the acting
incumbent. The Dis-
trict Engineer points
out that an efficient
man cannot be ob-
tained for this sum;
and as it is of great
importance at this
time

I approve the actg.
of the Draftsman.
There has been no order
that actg. expense might
be allowed when on
leave is granted to
any drawing less than
Rs 100. Further, &
the necessity demands the
practice in the case
of sick leave -
but the period of

time of pressure that
the Deputy Range
should not be left
without the services
of a Draftsman and
Estimator it is pro-
posed in the draft
order to sanctions full
pay to the man who
may be appointed to
act. The Examiner
points out that this
arrangement is not
in accordance with
Code rules. But it is
submitted that the
circumstances are ex-
ceptional. It is pro-
posed to add a sentence
to this effect at the end
of the draft, and if the
Examiner

It is suggested
that the man
be put in
charge with the help
in the latter case.
Still I do think
the principle is
applicable in the
above case.

Examiner should on
receipt of the order still
think that the confirma-
tion of the Government
of India will be required.
he may be left to state
his views officially when
formal confirmation
may be applied for
in the usual course.

The Examiner's pro-
posal to give the
permanent Draftsman
leave without pay -
seems scarcely fair - the
man having been re-
ported sick.
