Account.

Read the following papers :—

No. 93. From W. B. LEGGATT, Esq., A.I.C.E., Officiating District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Camp at Ramandroog, 18th April 1877, No. 251.

I HAVE the honor to report, for the information of Government, that the carts of Conductor Jack, Supervisor in charge of Bellary Sub-Division, were attacked by robbers on the morning of the 9th March 1877, in the 4th mile of the Sirgoopah road, while proceeding to Sirgoopah.

One List.

2. The things abstracted by the thieves were chiefly private articles, amongst them was a writing desk which contained certain official papers; a levelling instrument and a plotting scale, the property of Government, were also taken. No Government cash was lost, as the Supervisor did not take the cash-chest with him.

3. Intimation of the occurrence was given to the Police. The levelling instrument, &c., have since been found, and have been recovered from the Taluq Cutcherry at Bellary.

4. The enclosed list shows the amount of damage done to the recovered instruments.

5. A further report will be made hereafter if it is found necessary.

No. 93-A. From the Examiner of Public Works Accounts, dated Fort St. George, 4th May 1877, No. E. 29 B.L.

No. 94. ORDER THEREON, 14th May 1877, No. 48 W.

THE District Engineer will have the plotting scale, which is stated to have been destroyed, written off the Balance Return of Tools and Plant.

2. He will forward the other articles, which have been damaged and otherwise rendered temporarily unserviceable, to the Public Works Workshops at the Presidency, for the necessary repairs.

3. The cost of the repairs will be debited to Tools and Plant, Imperial.
